### EVENTS

#### Enpr-EMA ANNUAL MEETING

STAND4Kids participated in the **annual meeting and workshop of the European Network of Paediatric Research at EMA (Enpr-EMA)**, which focused on recent Enpr-EMA developments, collaboration with ACT EU, and future strategic priorities.

Ricardo Fernandes, STAND4Kids Lead, was elected as the **new Chair of Enpr-EMA's Coordinating Group**.

Annual meeting and workshop of Enpr-EMA, Amsterdam, The Netherlands - November 19-20, 2025

#### WEBINAR FOR RESEARCH NURSES

STAND4Kids participated in the webinar **"La Enfermería en Investigación Clínica Pediátrica"**, organised by **RECLIP**, the Spanish Pediatric Clinical Trials Network, on 26 January and 2 February 2026.

The sessions highlighted the key **role of nurses in paediatric clinical trials**, covering operational responsibilities, patient safety, and their growing role in clinical research.

STAND4Kids is proud to support initiatives that **strengthen nursing leadership in paediatric research** and would like to **thank RECLIP** for enabling the participation of Portuguese nurses.

### PORTUGAL CLINICAL STUDIES

STAND4Kids is now present on **Portugal Clinical Studies**, a national platform managed by Agência de Investigação Clínica e Inovação Biomédica.

Portugal Clinical Studies provides a **centralized hub** for clinical research activities in Portugal, offering services across the entire lifecycle of clinical trials, including site feasibility, regulatory and recruitment support, and networking with research centers, patient associations, and thematic networks.

STAND4Kids contributes as a **thematic network** and **service provider** through the Associação para Investigação e Desenvolvimento da Faculdade de Medicina (AIDFM), providing **expertise in pediatric clinical research**, fostering collaboration, and expanding access to trial opportunities across the country.
